

AgriPress Round Bale Net Wrap

Precise Edge to Edge Coverage on Round Bales!

This product is manufactured by industry leader RKW HYPLAST, who manufactures our bunker covers.

Whether you are baling hay, straw or silage, AgriPress Round Bale Net provides excellent edge coverage, uniform winding, and precise edges. Using net wrap on your round bales improves bale integrity, with up to 65% less loss in storage and handling compared to bales with twine.

Key Features and Benefits:

- Edge to edge coverage on round bales
- UV protection
- Minimum length guarantee

UV Protection
