

Cordex NETEXX Round Bale Hay Net Wrap

Bale faster and better than with baler twine!

Our customers have trusted Cordex NETEXX Net Wrap for years. This premium, round bale net wrap can be used in all makes and models of round baling machines to produce tighter, more uniform bales than with baler twine. Compared to twine, net wrap lets you produce 30%+ more bales per hour, with significantly lower leaf loss. Cordex is an ISO 9000 certified company with strict and independently audited quality control.

Key Features and Benefits:

- Side to side bale coverage
- Premium polyethylene with UV protection
- Minimum length guarantee
- Easy reloading
