

Grand Harvest XL Baler Twine

Grand Harvest XL extra-large bales are ideal for high density balers. Buying XL bales means fewer packages of twine to purchase, increased potential crop tonnage baled per pallet, and time savings in collecting and stacking bales.

Available Grand Harvest XL Baler Twine Sizes

- 5,500/450
- 6,500/350
- 7,200/190
- 20,000/110
