

Sigma Ultra 5 Silage Wrap Stretch Film

High-tack for bale wrapping in all temperatures!

Sigma Ultra 5 Silage Wrap Stretch Film is engineered for trouble-free wrapping even in extreme climates. Use to overwrap all forage types, including silage, dry hay, and straw bales. Ultra 5 Bale Wrap Silage Film is ideal for in-line bale wrapping, round bales, and high-speed bale wrappers. It is the only 5-layer bale wrap manufactured in North America.

Key Features and Benefits:

- Premium quality LLDPE
- Aggressive layer to layer adhesion in all temperatures
- Suitable for individual bales or in-line wrapping
- Highly puncture and tear resistant with good elongation

Recyclable Plastic

UV Protection
