

Cordex NETEXX XTREME Round Bale Net Wrap

Double reinforced center to meet your baling challenge!

Most of the energy in a round bale is centered right in the middle, so the experts at Cordex created NETEXX XTREME Net Wrap with a double reinforced center for forages that are challenging to bale. Properly net wrapped round bales have significantly better bale integrity with up to 65% less loss during storage and handling compared to bales with twine. Manufacturer Cordex is an ISO 9000 certified company whose strict quality control is independently verified.

Key Features and Benefits:

- Side to side coverage on round bales
- UV protected premium polyethylene
- Minimum length guarantee
- Easily reloads
- Handles are reusable
