

KSI Supply, Inc. *Supplying all of your forage storage needs*

N6111 County Road OJ

Plymouth, WI 53073

P 920.449.5361

F 920.449.5146

KSI is a family-owned company, based in Plymouth WI and in business for over 25 years! We sell agricultural forage storage products through a distribution and dealer network that covers the United States and Canada.

Position Overview

We are looking for multiple Class A CDL Drivers to run both local and over the road deliveries for KSI Supply. We have semi's with automatic transmission and condo cabs, and we pull Conestoga and step deck trailers. Our drivers are home every weekend, have holidays off and occasionally during the week when possible.

Our deliveries are to agricultural locations in the greater Midwest area, meaning **minimal big city deliveries**. Seasonal deliveries fluctuate but tend to be between April 1st – September 30th. Outside of that, we do contracted driving with a partner company, where all loads are drop and hook.

Under the supervision of the General Manager, these drivers are expected to communicate both with both the office and the customers regarding timeframes for delivery. Drivers are expected to call customers when they are an hour out, check that the product delivered matches the delivery tickets given and call the office regarding any discrepancies.

Position Requirements

- An average of 2,500 miles a week / 500 miles a day
- Communication with office regarding delivery timeframes to ensure a backhaul can be secured.
- A positive representation of company to customers
- Basic maintenance of vehicle

Qualifications & requirements:

- Class A CDL
- Clean MVR
- Current DOT Medical Certificate
- 2-year verifiable truck driving experience in the last 3 years
- Pre-Employment Drug Testing Required

Compensation & Benefits

- Milage pay
- Performance base bonuses
- 401(k) & Company matching
- Dental insurance
- Health insurance

- Vision insurance
- Holiday pay
- Vacation time
